Stroller Strides® is a total fitness program that moms can do with their babies. It includes power walking and intervals of body toning using exercise tubes and the stroller. Taught by certified instructors, it's a great workout for any level of exerciser. Please arrive at all classes at least 15 minutes before start time. We leave promptly at start time.

Body Back® is a results-based workout designed for moms who want their body back, whether they just had a baby or their last child was born twenty years ago! Most importantly, it will help women unlock their personal possibilities in an inspiring and powerful environment. Body Back® clients experience targeted high-intensity workouts, inspiration and motivation in every class.
